Exciting Opportunity: Global Science Fair Coordinator

Are you passionate about science education and looking to make a difference in the lives of underprivileged children? Future Education Research Network, Inc. is seeking a dedicated individual to help us host a global science fair for underprivileged kids. Join us as a Global Science Fair Coordinator and play a key role in inspiring the next generation of young scientists!

Position: Global Science Fair Coordinator

Responsibilities:

- Develop and execute a plan for hosting the global science fair, including setting up event logistics and coordinating with partners and sponsors
- Recruit participants from underprivileged communities around the world and provide them with the necessary resources and support
- Coordinate with schools, community organizations, and other stakeholders to promote the event and ensure its success
- Manage event registration, including handling inquiries and providing assistance to participants
- Assist in organizing and running the event, including setting up exhibits, coordinating volunteers, and overseeing the judging process

Requirements:

- Bachelor's degree in a relevant field
- Strong organizational and project management skills
- Excellent communication and interpersonal skills
- Ability to work independently and manage multiple tasks
- Experience in event planning is a plus

Benefits:

- Gain valuable experience in event planning and community outreach
- Make a meaningful impact on the lives of underprivileged communities
- Flexible hours and remote work options available
- Potential to receive a return offer and sponsorship based on performance
